4.

VALLÉE D'OBERMANN.

Que veux-je? que suis-je? que demander à la nature? . . . . . Toute cause est invisible, toute fin trompeuse; toute forme change, toute durée s'epuise: . . . . . je sens, j'existe pour me consumer en desirs indomptables, pour m'abreuver de la séduction d'un monde fantastique, pour rester attéré de sa voluptueuse erreur.

(*Obermann – Lettre* 53.)

Indicible sensibilité, charme et tourment de nos vaines années; vaste conscience d'une nature partout accablante et partout impénétrable, passion universelle, indifférence, sagesse avancée, voluptueux abandon; tout ce qu'un coeur mortel peut contenir de besoins et d'ennuis profonds, j'ai tout senti, tout eprouvé dans cette nuit mémorable. J'ai fait un pas sinistre vers l'age d'affaiblissement; j'ai dévoré dix années de ma vie.

(*Lettre* 4.)
